

Dear Parents and Students,

I have opened a Blackboard account for my classes. This allows me to post assignments and other information for my classes on the internet. I plan to post assignments daily.

To access the account, follow these steps:

go to <http://www.lane.k12.or.us>

click on "Blackboard service"

click on "login"

username is berryE3

password is berry

click on Mrs. Berry's classes

I will be adding more information to the site, but for now assignments will be available.

Sincerely,

Lynda Berry
