

Monroe Middle School Prearranged Absence Form

Student's Name: _____ Grade: _____ Date: _____

The above named student has my permission to be absent from school on these dates: _____

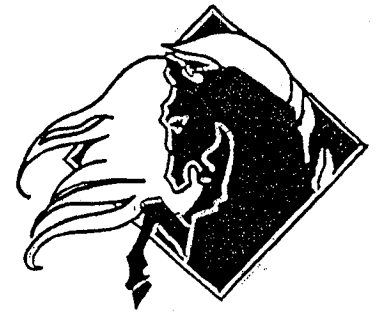

I understand that teachers are not obligated to provide advance homework for any absence. I also recognize that there is no substitute for actual participation in daily classroom discussion and work and that in many instances, missed classes cannot be duplicated. Depending on the class, my student may have up to 50 minutes make-up work per class for each day missed. I also realize regular attendance is required by state law and it is essential to my child's success, enjoyment, and high achievement in school.

I am aware that the requirements stated below must be met by the student.

1. My student agrees to make up any work that teachers deem necessary.
2. All of my student's teachers must certify to these conditions.
3. Any absences beyond the excused days may be considered excessive and will minimally result in an administrative conference.
