Form to Approve Free LTD Bus Pass for your Student

Students enrolled in grades 6 through 12 at public and private schools can ride Lane Transit District (LTD) buses for free beginning September 1, 2008, as part of the Student Transit Pass Program.

The goal of this program is to reduce traffic around local schools by encouraging more students to ride a bus for their school commute, as well as riding to other destinations. This program is also intended to improve student safety, decrease fuel consumption, enhance air quality, and improve the quality of life in our community.

To ride LTD for free, a student will need to have a valid LTD sticker on their 2008-09 school photo identification card. With their card and sticker, students may ride free ***anytime, anywhere that LTD serves***. Stickers will be distributed to students at school beginning in September.

If you wish to allow your student to participate in this free program, please complete and return this form to your student's school. Stickers will not be distributed to students whose parents/guardians have not returned this completed form.
